

Privacy Notice

The following Privacy Notice explains how we Sciensus Pharma Services Ltd (SPSL) intend to use the information you have provided to us and we have captured as part of your service with us, along with your rights, our reasons for requesting it and who will have access to it.

The privacy notice below sets out how we process your personal information. This notice is regularly reviewed, and changes made from time to time. Any changes we make will be posted on this page.

We do not carry out automated decision making or make a significant decision based solely on automated processing unless that decision is required or authorised by law.

If you have any questions relating to this notice, please contact our Data Protection officer on

Telephone number: 0800 917 4980

Email Address: DPO@sciensus.com

Address: 107, Station Street, Burton Upon Trent, DE14 1SZ.

We will collect some identifiable information from the use of our Cookies. If you would like to read more about this, please [click here](#)

Where we get your information

Referring Establishment / Centre – Hospital, Private Medical Consultants, GPs, others involved in your care
From You – when you complete our forms, contact us, when we visit you as part of patient support and nurse programme, during our delivery process of your medicine, online, etc.
Clinicians, Nurses & Therapist – when they visit you to provide a service they will gather information from you which is noted on our clinician evaluation forms and your patient record.
Laboratories – as part of any medical blood testing results.
Legal – Solicitors, Legal Representatives acting on your behalf or managing any claim, arranging your treatment for you and paying for your care.

Regulators – Where you have approached them independently to act on your behalf

Medical Insurance Companies – where they fund your care, we will receive information about you and your insurance policy

Research and Survey companies – when we supply limited information e.g. name and contact details to carry out these activities on our behalf.

Social Care and Safeguarding agencies – to enable us and them carry out our legal obligations for patient safety and care.

Third Parties – Advertising networks, analytics & IT providers, persistence and adherence management providers.

Other People – “recipient” you have authorised to act on your behalf or receive medicine when we carry out our deliveries. We will also hold their minimal personal information on your patient record.

Parent, Guardian or Responsible Person – assigned and recorded to act on behalf of a paediatric patient (infant, children and adolescents) or someone who lacks capacity

How we use your information

We receive your information from many sources to deliver our services to you and we collect and process personal information about you from these sources.

We primarily use your personal information in the following ways:

- Create and maintain a record of your care and treatment and to communicate with your referring establishment (E.G hospital and doctors)
- Contact your next of kin, carer or representative on your behalf to claim any money owed from the patients estate & in case of emergencies.
- Create and manage your prescription records

<ul style="list-style-type: none"> • Contact you to arrange your delivery
<ul style="list-style-type: none"> • Allow us to dispense and deliver the correct medication to you
<ul style="list-style-type: none"> • Facilitate a nurse or healthcare professional to visit you or a virtual visit using our patient consultation room (if necessary)
<ul style="list-style-type: none"> • Answer any questions or concerns you may have and provide customer support
<ul style="list-style-type: none"> • Provide pharmacy services to you and give you information about your medication
<ul style="list-style-type: none"> • Ensure that we charge the NHS or other bill payer the correct amount for our services delivered to you
<ul style="list-style-type: none"> • Provide regular reminders to you in accordance with your service, e.g. for deliveries, nurse visits or medication
<ul style="list-style-type: none"> • Provide advice to help you to get the best from your treatment and understand your level of engagement with your treatment through statistical and monitoring information
<ul style="list-style-type: none"> • Provide remote care, using technology platforms and assessments, as required for your service
<ul style="list-style-type: none"> • Enhance staff safety, we utilise secure audio recording devices that may be activated in emergency situations
<ul style="list-style-type: none"> • Capture CCTV images for training purposes and for the prevention and detection of crime
<ul style="list-style-type: none"> • Where your care is funded, to communicate with private medical insurance companies, or solicitors managing a claim to fund your treatment
<ul style="list-style-type: none"> • Where Live Chats are used we will store a copy of the live chat on your patient record or live chat helper document storage vault, if you are not a patient but a member of the public and/or if you are a consultant or Clinician we may hold this in a communication file outside of our patient management system.

- When contacting us through our helplines we will collect your Telephone or mobile number you are calling from; however, you can withhold this information before contacting us and therefore we will not collect it. Where we collect this information, we may use it to update your patient record.
- Where you have emailed SPSL, we will keep a copy of the email or extract the contents of the email within your patient record.

We may also use your information for service improvement/health and safety purposes such as:

- To train our staff in providing services to you.
- To manage and resolve any issues you may have – missed or late deliveries, complaints, incidents
- To record and manage (where appropriate) any adverse events or side effects relating to your medication that you tell us about.
- To capture information regarding an incident to ensure the safety of our employees
- To escalate concerns regarding you and your care to ensure you are safe
- To enable us to register and investigate incidents and complaint
- To enable the storage, archive and disposal of paper & electronic documentation
- To help us to improve the quality of our services based on your feedback
- To conduct patient engagement surveys and see how well we are doing. These surveys could be generated by SPSL or referring establishments and managed by a third party on our behalf. We may carry out the surveys by email or by phone and may send you a text message to direct you to the survey link.
- To keep an audit trail for the services we provide, e.g. recording of calls, system logs

How we keep your information safe

During your service with us, we collect lots of personal and sensitive information about you, and we take keeping your data safe very seriously. To accomplish this, we have our own expert teams and use a mature information security management system so that your data will be treated appropriately and won't end up in the wrong hands. To achieve this, we use a three-layered approach: People, Processes and Technology.

PAR4490124 Implementation Date: 29/01/2024

Sciensus Pharma Services Limited registered in England No. 2759609
Registered office: 107 Station Street, Burton on Trent, Staffordshire, DE14 1SZ, UK.
VAT Registration No. 873342418.
Please note that calls to Sciensus may be recorded for quality assurance and training purposes.

We use a number of technology systems to control how your data is accessed and secured. Our technology covers multiple levels of our systems to ensure we can control your data from end to end. All our users are trained in the best ways of handling personal data and confidentiality and follow strict policies and procedures to ensure security is kept to a high level.

We operate role-based access control which means users access to your personal information is limited dependant on the task they carry out as part of their role.

We test our systems regularly using both internal and external testers and auditor to ensure weaknesses are identified and rectified.

We are ISO27001 accredited, which is an internal standard for information security. We also maintain cyber essentials certification which is a set of technical controls we comply with to protect ourselves against common online security threats.

In all our operations we will:

- Keep your information confidential
- Staff and third parties attend annual Data Protection training
- Only share your information with authorised and vetted third parties, agencies or people
- Use it lawfully, fairly and in a transparent way
- Keep your personal information for as long as necessary for the purposes we have told you about
- Protect your data and keep it secure
- Have contractual obligations for data management and protection when outsourcing functions to third parties to process your personal information on our behalf
- Carry out security and cyber security checks

Who we will share your information with

We want to maintain your trust and protect your personal information, and when we share your personal information we are doing so because it is essential to enable SPSL to provide a service to you.

In “Where we get your information from” section we have detailed the sources from which we may receive personal information about you, but we also share your personal information with the same sources, including partners and suppliers which work on behalf of us.

- **Companies in the SPSL Group** – who carry out functions on our behalf.

<ul style="list-style-type: none"> • Referring establishment (NHS/Private consultants/GP surgeries/ and other health professional) on whose behalf we deliver services.
<ul style="list-style-type: none"> • Delivery Agents – companies/organisations that deliver your medication and any devices on our behalf
<ul style="list-style-type: none"> • Professional service providers – our IT providers and website hosts who help us run our business
<ul style="list-style-type: none"> • Regulators – Care Quality Commission, Information Commissioner’s Office, Medicines and Healthcare Products Regulatory Agency
<ul style="list-style-type: none"> • Insurance Companies and Legal representatives – for the purposes of defending or instigating a claim
<ul style="list-style-type: none"> • Private Medical Insurance – if they fund your care
<ul style="list-style-type: none"> • Legal – Solicitors, Legal Representatives acting on your behalf or managing any claim, arranging your treatment for you and paying for your care.
<ul style="list-style-type: none"> • Law Enforcement Agencies – for the purposes of prevention and detection of crime or fraud
<ul style="list-style-type: none"> • Auditors – external or internal as part of our performance reporting or compliance with legal / regulatory obligations
<ul style="list-style-type: none"> • Pharmaceutical Companies – in a pseudonymised format which does not identify a specific patient.
<ul style="list-style-type: none"> • Medicine Manufactures – only where you have provided consent to do so.
<ul style="list-style-type: none"> • Other third parties who require access to your personal information for specific and limited purposes.

How long we keep your information for

We will only hold your information for as long as it is needed to able us to provide a service to you and in line with our retention schedule, which is aligned with the NHS Code of Practice and other Legal & Regulatory guidance.

We may hold onto your data for longer due to meet the following:

Necessary or required to meet Legal or Regulatory requirements
Resolve disputes
Prevent fraud and abuse
Enforce terms and conditions
Medical Negligence claims

We may keep an anonymised form of your personal data, which will no longer identify you, for statistical, research and analysis purposes without time limits, to the extent we have a legitimate and lawful interest in doing so.

Your rights

You have a number of rights regarding how SPSL use your data including the Right to: Access, Rectify, Erase, restrict, transport, and object to the processing of your personal information.

These rights will not all apply in every situation but to exercise them at any time, have a complaint or just have a question contact us on the following:

Information Governance & Security Team

Telephone number: 0800 917 4980

Email Address: DPO@sciensus.com

Address: 107, Station Street, Burton Upon Trent, DE14 1SZ.

Your right of access

You have the right to ask us for copies of your personal information we hold on you, whether in paper or electronic form. Each request will be dealt with on an individual basis.

Your right to rectification

You have the right to ask us to rectify information you think is inaccurate. You also have the right to ask us to complete information you think is incomplete.

Your right to erasure

You have the right to ask us to erase your personal information in certain circumstances.

Your right to restriction of processing

You have the right to ask us to restrict the processing of your information in certain circumstances, including automated processing and profiling and where automated processing operations are taking place for human intervention.

Your right to object to processing

You have the right to object to the processing of your personal data in certain circumstances.

Your right to data portability

You have the right to ask that we transfer the information you gave us to another organisation, or to you, in certain circumstances where it is technically feasible. This is not an absolute right and may not be possible on all occasions.

Your right to complain to the data protection regulator

You also have a right to lodge a complaint with the relevant data protection regulator if you believe your personal data is not being processed in accordance with applicable data protection law. To contact the Information Commissioners Office [Click Here](#).

The Information Commissioners Office normally ask you to raise your concerns firstly with us, but it is important you know you can go directly to the Regulator in the first instance.
