Other Companies – To carry out employment checks on your behalf.

How we keep your information safe

Sciensus Group of companies (SHC, SWH, SAP and SPSL) are committed to protecting the security of Personal Information by endeavouring to ensure appropriate technologies and processes are maintained to avoid unauthorised access or disclosure. We use multi-factor authentication to ensure that only authorized users can access our systems. This means that users need to verify their identity through multiple methods, such as a password and a code sent to their phone. We also have strict access controls in place to limit who can see and use your data. In the event of a data breach, we have processes in place to ensure we notify affected persons promptly to ensure transparency and take necessary actions to protect your data.

Switzerland and the UK are considered to have adequate levels of data protection by the regulators in both Switzerland and the UK.

All Personal Information collected by Sciensus & SPSL is encrypted to the highest possible degree both when it is stored in our databases and when it is being transmitted. Intercompany data transfer agreements are in place to enable data transfer between Sciensus and SPSL.

Your Rights

You have a number of rights regarding how Sciensus use your data including the Right to: Access, rectify, erase, restrict, transport, and object to the processing of your personal information. SPSL manage these requests from a central point, based in the UK, but liaise closely with Sciensus colleagues based in Switzerland. We will review and respond to requests to exercise rights under the FADP within 30 days.

If you wish to exercise any of your rights at any time, or have a complaint or just a question about your data please contact us on the following:
